[mission 32] $ rm -r inventory.txt
rm: cannot remove 'inventory.txt': No such file or directory

~
[mission 32] $ rm inventory.txt
rm: cannot remove 'inventory.txt': No such file or directory

~
[mission 32] $ gsh check
The content of inventory.txt is invalid.
You can check its content with the command
$ less inventory.txt

Sorry, mission 32 hasn't been completed.

While you are waiting, a spider crawls by...

|                                     |
--+-----+-----+-----+-----+
| Use the command                     |
| $ gsh help                         |
| to get the list of "gsh" commands. |
